"CRAFTING STYLE FOR THE WORLD"

ABOUT CELESTIAL LIFESTYLE LIMITED

A Legacy of Quality and Global Vision

Building global trust in fashion through 33+ years of innovation, design and quality

Celestial Lifestyle Limited has grown into India's most reliable fashion export companies. With integrated operations from design to delivery, Celestial combines creativity, innovation, technology and sustainability to deliver customised solution that is unique to the leading brands that we serve across the globe. Our state of the art manufacturing units and professional merchandising team ensures every garment reflects precision, consistency and contemporary lifestyle.

Celestial has won many accolades and awards, few of them being TOP 500 ASIA BRAND AWARD, MSME AWARD From Govt. of Uttar Pradesh, Best Export Award From Noida Apparel Exports Cluster.

JOURNEY TO SUSTAINABLE PRACTICES

Sustainability is integral to our global competitiveness.

As a responsible producer Celestial aims to embed sustainability into its operations. The proposed two phase Journey includes :

Phase 1 - establishing ESG and GHG baselines through aligned reporting.

Phase 2 - Developing an ESG strategy and pursuing global benchmarking.

This will strengthen Celestial's transparency, stakeholder confidence and positioning it as a sustainability driven apparel company.

At Celestial our dedication to social and environmental responsibility guides our actions every day, we continuously invest in initiatives that enhance lives and protect our planet.

Environmental Care

We use eco-friendly fabrics and sustainable packaging to reduce our carbon footprint and support planet first practices

Women Empowerment

From hiring to leadership, we focus on providing women with equal opportunities, training, and career advancement in fashion

Health & Wellbeing

We actively support community wellness camps, offer mental health sessions, and promise work-life balance for employees.

SCARVES

We offer an array of scarves made by using quality fabrics in a variety of colors and designs . These are available in a gamut of vivid hues such as maroon, black, blue and allied colors. We also offer scarves in a variety of prints as per the latest fashion. Our scarves are soft, cozy and very popular with most of our discerning customers. Our scarves are manufactured out of a huge variety of materials and printed in eye catching designs and patterns.

CUSHION

Celestial Lifestyle Limited brings artistry and refinement to home décor through its exclusive range of cushion covers. Designed to complement global interiors, our collection blends rich textures, contemporary patterns, and superior craftsmanship. Each piece is created with precision using premium fabrics, fine embroidery and sustainable materials, reflecting both comfort and sophistication. Whether styled for modern minimalism or traditional charm, our cushion covers add warmth and character to any living space. With meticulous attention to quality and design, Celestial transforms everyday home accessories into timeless statements of elegance.

VISION, LEADERSHIP & LEGACY

Rajeev Bansal, is a first generation entrepreneur with over three decades of experience in the fashion and lifestyle industry. He understands end-to-end processes — from factory floor operations to quality, delivery timelines and cost control. Under his leadership, Celestial has grown into a globally recognized manufacturer and exporter of fashion garments and home products. Known for his strategic foresight and commitment to quality, Rajeev has built long-term partnerships with leading international brands. His expertise spans global sourcing, manufacturing excellence, and sustainable business practices. Passionate about innovation and design, he continues to drive Celestial's growth with a focus on creativity, reliability, sustainability and delivering world-class products to global markets.

Rajeev Bansal
Founder & CEO

Suchet Bansal, as the Director of Celestial, is a young and visionary leader who leads with a mission to empower fashion brands across the globe to transform their ideas into reality through precise and reliable manufacturing. With a Master's in Business Administration from one of India's top B-Schools and a strong business acumen, he combines strategic foresight with a hands-on approach to quality and innovation. Under his leadership, Celestial has grown as a trusted partner where creativity meets capability, delivering every collection with integrity, excellence, and world-class standards that define the company's global reputation.

Testimonials from our clients....

We've been working with Celestial Lifestyle for about a few years now, and we are very happy with whatever we've jointly achieved till now. Mr. Bansal and his team are very professional and we look forward to having a long association with them in the years to come.

Rahul Bhalla
Founder and CEO
(Latin Quarters)

We have been working with Celestial Lifestyle company since last two years, and we are very much satisfied with their services, their product quality, and their timely delivery. We need vendor partners like them to fulfill our dream of being one of the largest fashion retail company.

Ram Chandra Agarwal
Chairman and Managing Director
(V2 Retail Limited)

We have been working together with Mr. Rajiv Bansal and his team for a quite few years. Celestial has been a strong partner for us. Quality that holds up, timelines we can plan, and the pricing that's transparent. They are proactive when challenges arise and flexible on production needs. Strongly recommended.
